Dear Students and Parents:

Welcome to Strategies for Academic Success. We will be studying topics beginning with Learning Motivation, Study Habits, Learning Styles, Note Taking, Graphic Organization, Testing Strategies, Presentations and Increasing Reading Speeds.

You will need one large three ring note book full of notepaper. Label this notebook "Academic Success" and divide it into four sections:

- 1. Notes**
- 2. In Class Projects and Activities**
- 3. Presentations**
- 4. Final Project**

You are expected to bring your notebook to every class meeting. Points will be deducted from your class participation grade for failing to maintain and carry your notebook each week.

I will officially grade your notebooks in class on our last day together before the module closes.

From here on students will follow the same basic pattern:

- 1. complete daily assignments from Edgenuity.**

2. attend class on campus
3. participate in all classroom activities and projects
4. work on final project
