TUTORING: If you need help please come and get it. I have tutoring by appointment on Fridays. Please be sure to call ahead so I can be ready when you come. If you know what you need help with, let me know that as well. Be sure to bring any materials you will need to get help and give us enough time to cover the content without rushing. If you have missed class I highly recommend that you come to tutoring that week to try and cover as much of the content as possible.
